

Evaluation

EXC: for those students who participate more than 3 times either proposing a dilemma or giving an answer to some of them, always, in a mature, fluent, polite accured way justifying their comments, on personal experiences or from others.

NOT: for those students who participate more than 3 times either proposing a dilemma or giving an answer to some of them, often, in a mature, polite way justifying their comments, on personal experiences or from others. He/she has been able to use the different resources previously worked, in most of the cases.

BÉ: for those students who participate more than 3 times either proposing a dilemma or giving an answer to some of them, often, in a mature, polite way justifying their comments, on personal experiences or from others. He/she has not always been able to use the different resources previously worked.

SUF: for those students who participate 3 times either proposing a dilemma or giving an answer to some of them, but sometimes failed to do it in a mature, polite way justifying their comments, on personal experiences or from others. He/she has not always been able to use the different resources previously worked.

INSUF: for those students who participate less than 3 times either proposing a dilemma or giving an answer to some of them, and sometimes failed to do it in a mature, polite way justifying their comments, on personal experiences or from others. He/she has not been able to use the different resources previously worked.
