TRIBUTE TO THE BEATLES

In our first academic course, IES Segur de Calafell dedicates the Cultural week to the Beatles. In the English class you will get some information about this famous band and will learn and sing some of their most well known songs.

THE BEATLES

The four members of The Beatles were George Harrison, John Lennon, Ringo Star and Paul McCartney. John Lennon started a band called The Quarrymen in 1956, Paul McCartney joined in 1957, Harrison in 1958 and the group was first called The Beatles in 1960. Later, Ringo joined in. The band from Liverpool was born!

Lennon and McCartney wrote and sang most of the songs. Some of their most famous songs are 'Help', 'Yesterday', 'Yellow Submarine', 'Sergeant Pepper's..', and many more. They also starred in films like 'A Hard Day's Night' in 1964 and 'Help' in 1965.

Their music changed the direction of popular music to a more melodic sound. They were the most successful pop group ever!

You can get more information about The Beatles in this web site:
