

## **Activity Sheet**

### **Exercise 1: Answer the questions in full sentences.**

- Name each of the four capital cities of the United Kingdom, and the countries they are in.
- Who is the head of state?
- What ingredients are in the Welsh dish 'Cawl'?
- What colour is traditionally worn on St. Patrick's Day?
- What is the U.K.'s national sport?
- What is Scotland's national animal?

## **Exercise 2:**

### ***True or False:***

	<b><i>T</i></b>	<b><i>F</i></b>
London is the smallest city in Europe.		
England's national animal is the Dragon.		
Northern Irish 'Potato Bread' is just a name, potato is not actually an ingredient!		
The telephone was invented in Scotland.		
The people in England drink more coffee than any in any other country.		
Catherine Zeta Jones is originally from Wales.		

## **Exercise 3:**

- Now work in pairs and write down anything you know about the United Kingdom which was not included in the power point.
- In small groups design your own power points with information and facts about your own country.
