Oboe

The interface features a dark grey background. On the left, a black rectangular area contains three white-bordered images of woodwind instruments: a clarinet, a saxophone, and an oboe. The oboe image is labeled 'Oboe' in black text. On the right, a bright yellow rectangular area contains three horizontal sliders, each with a play button, a square stop button, and a circular refresh button. Below the sliders is a large, detailed illustration of a human ear.
