

Author:

Franz Kafka (Prague, July 3, 1883-Coming June 3, 1924).

He was a txec writer in the German language. His work is one of the most influential literatures of the last century.

Kafka published only a few short stories throughout his life, so the work went virtually unnoticed until after his death.

Metamorphosis:

The case narrates the metamorphosis of a man who wakes up one day transformed into a giant insect, is the story of Josef K. in order, tried and convicted for a crime which he ignores; the main character often faces a complex world that is based on unknown rules, which never gets to understand.

Interpretations:

We talk about the treatment received by the isolated individual and miss understood on a bureaucratic and authoritarian society.

We also want to reflect loneliness and unrealistic hopes that this will create.

Characters:

Gregorio Samsa: A young man who works in order to keep his family awake one day become an insect, that prevents him from working and causing the financial ruin of his family. Family decides to hide from them so as not to frighten them with your new shape.

Father Gregorio: A man retired from more than five years ago, the fate that has transformed her son and the transformation of this puts a bad mood.

Gregorio Mother: A woman with asthma and also removed, which greatly complicates her life. She wants her son, but he is terrified his new form. Still, she wants him to stay because, after all, is still his son.

Samsa Greta: It is the sister of Gregorio, has 17 years. Catch responsibility for manufactured home because his family hasn't money. It is the only one that dares to enter the house of his brother after their

metamorphosis, the top was all very well but eventually seen careworn and it proposes to rid the family.

Chief Gregory: The man works for which Gregory to pay the debts of their parents, Gregorio not see that when the work was presented at his house where it is transformed into a vermin.

Place:

The dining room: It's where the family eats and where they all have problems.

The room Gregory: Gregory is where most of the time passed after the transformation.

Other adjustments:

Kafka has been made cartoons, shorts, books, children's stories ... There have also been other stories about the metamorphosis, such as Twilight.
