## Reading

**1 Read Janine's letter to Katie. Then circle the correct option. (5 marks)**

Dear Katie,

I'm writing because I've seen all your films and I think they are amazing. I was living in Italy when you made your first film *The Island*. I cried at the end! My mum likes you too. She's just read your book and she has lived in Africa just like you. I've never been to Africa, but I would like to.

I've also read about your work with poor people. I know that you've helped a lot of children in Africa. That's really good.

Our cinema is going to show your new film next month and I'm going to see it. I'm sure it's good!

Janine Carter.
