Reading**1 Read Janine's letter to Katie. Are the sentences true or false? Correct the false sentences. (15 marks)**

Dear Katie,

I'm writing because I'm a big fan of yours! I've seen all your films and I think they are amazing. No, I tell a lie – I haven't seen 'Africa's Forgotten' yet but I will. I was living in Italy when you made your first film The Island of the Seventh Child and my parents took me to see it. I cried all the way through! My mum's a big fan too. She's just read your autobiography and she grew up in Africa just like you did. I've never been to Africa, but I have in your films!

I've also read a lot of articles about your work. I know that you've helped a lot of children in Africa and that you're trying to raise enough money to build a school. The article said that people have already given more than two million pounds! Congratulations!

Our cinema has just announced that they're going to show Africa's Forgotten next month and I'm really looking forward to it. Good luck with your next films and the school.

Janine Carter.
