Hi how did your Easter holidays go? Hope you are all well.

Les activitats d'aquesta setmana estan relacionades amb el Harry Potter. Amb els exercicis que hi ha a continuació reforçarem el Present Simple i les daily routines. Fixeu-vos que heu de llegir un text i contestar unes preguntes. Són en present. Recordeu que quan parlem en 3a persona (he, she o it) el verb ha d'acabar en -s. Per exemple, Mary reads the magazine; He plays with his brother every day; It eats a big bone. Observeu també que a l'últim exercici heu de fer frases utilitzant like, love, don't like, o hate. Quan fem una frase utilitzant aquests verbs el verb que ha d'anar a continuació ha d'acabar en -ing. Per exemple, I like writing poems; You like riding a horse; she likes creating songs.

A continuació heu d'escriure una poció màgica, explicant els ingredients que porta i per a què serveix.

Ja sabeu que heu de fer les activitats que us proposo, no cal que les feu totes el mateix dia, us les podeu repartir al llarg de la setmana. La data límit d'entrega és el divendres 24 d'abril. I quan les tingueu fetes me les podeu enviar al meu correu merce.trave@salesianas.org.

Si voleu ampliar els continguts de l'àrea d'anglès podeu entrar al bloc d'English des de la pàgina web del cole o directament a <https://blocs.xtec.cat/englishnotebook/> allà trobareu més activitats, com jocs, contes, cançons, links a altres webs, ... El dia 1 d'abril vaig fer una entrada al bloc on hi ha un llibre de lectura adequat a la vostra edat i nivell amb exercicis per fer abans, durant i després de la lectura. El podeu imprimir i llegir o llegir des del dispositiu que tingueu. Aquesta feina no és obligatòria, però estaria molt bé que féssiu una mica de lectura també a part de les activitats que us proposo.

Bé, no m'enrotllo més! Ja sabeu que em podeu consultar qualsevol dubte que tingueu, o si voleu que posi alguna cosa concreta al bloc per ampliar o reforçar continguts.

Aaah! I entreu a <https://es.lyricstraining.com/> per cantar i escriure les vostres cançons preferides en anglès. Si cliqueu a "modo selección" us apareixeran diferents opcions, si cliqueu a "modo escritura" ho haureu d'escriure directament vosaltres sense pistes.

Read the text very carefully.

This is Daniel Radcliffe, better known as Harry Potter. Let's find out about his daily routine. Hi there! My name is Daniel Alan Radcliffe. I usually get up at 7.30 and have a shower. I get dressed and have breakfast at 8 o'clock. I brush my teeth at 8.30 and I'm ready for my classes. I always have classes from 8.30 to 1 o'clock but I have two breaks in the morning. Three days a week I have classes in the afternoon until four o'clock. I always have lunch in the school canteen. When classes are over it's time to go to my bedroom and do my homework. Sometimes I play Playstation, listen to music or watch some films. When I finish, I still have my "cinemawork" to do. I have dinner at eight and I go to bed at 10. I do the same thing every day, except at weekends.
