

Hello, dear pupils in Year 6 and dear Ms Nogueras,

today we want to write an answer to you. First of all thanks a lot for your e-mail. We have a lot to do, too. In October we took part in a project about nature. We collected insects, herbs and leaves. We made pancakes and tea. We spoke about the herbs and trees in the forest. Then we went to a lake and discovered the water and the ground. It was very interesting. Later we presented our items and posters and worksheets in the school house.

From the 3rd of October until the 19th of October there were the autumn holidays and we didn't go to school. We love holidays.

Now we have a lot of work to do and we write tests and class works. In December we go to the theatre and we prepare a program for our parents. We sing carols, play instruments and read poems.
