
3 I can complete with *was / wasn't or were / weren't*.

Rob was (✓) at school on Monday but Hannah wasn't (X) there.

She was (✓) sick so she was (✓) in bed all day. Her mum and dad weren't (X) at home.

They were (✓) at work. Luckily, her granny and grandad were (✓) at Hannah's house so she wasn't (X) alone.

4 I can put the dialogue in order. Then write. 😊 😐 😞

Yes, I was.
He was there with
me.

Jo: Were you
at the library on Saturday ?

No, I wasn't.
I was at the park.

2

Sam:
No, I wasn't. I was at the park.

Were you with your
dog?

Jo: Were you with your dog?

Were you at
the library on
Saturday?

1

Sam:
Yes, I was. He was there with me.

Were you at the library on Saturday?
