Welcome to a Disney cruise

Last night I had a dream. I was on a Disney cruise. Mickey and I were steering the ship, and Donald was looking at the maps. We sailed until Alaska and took photos of the beautiful mountains. Then we went down to Hawaii, and Minnie, Daisy and I swam in the turquoise sea. Pluto was looking for hidden treasures in the sand. Once back on the ship, Dumbo came flying. He landed in the swimming pool and everybody got wet! I found this picture in the morning. Was it a dream or was it real?
