Ready for a game? Golf in an oasis

Believe it or not, this is a golf course. It is quite different from the typical golf courses that we see in films. They have green grass, tall trees and glittering lakes. This course has lots of sand... and it is scorching hot! This picture was taken in Dubai during the Omega Dubai Desert Classic 2012. It is a very popular golf tournament. The world's best golfers travel to Dubai to participate. If you go there, remember to take your clubs, golf balls and a fan!
