## A human dragon

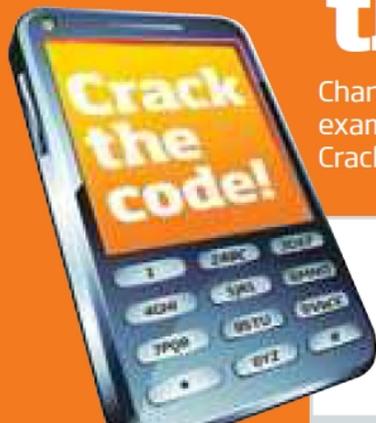

I'm a fire-eater. My job is very dangerous. I have to practice a lot because I don't have magic powers. I have my secrets so that I don't get burnt. Safety is very important. People have great fun looking at my performance. They can't believe their eyes. I'm a fire-eater in my free time, too. When I go camping I can cook sausages with my mouth. My best friend likes my tricks. He is a fakir. In his shows he sits on needles but at home he sits on chairs. He says chairs are more comfortable. I agree!
