## The king of the forest

Once upon a time, there was a small white cat that lived with an old magician in a big castle. The cat was very bored and wanted to leave the castle, but he was afraid of the forest.

One day, the old magician said, 'You are a very good cat. Make a wish and it will come true'. The cat said, 'I want to be a big white tiger and run wild'.

The next morning, the cat had turned into a beautiful tiger. He thanked the magician and left the castle to live happily ever after.
