Let your imagination run wild and enjoy!

## PANCAKES APLENTY

You can buy premade frozen pancakes to heat and decorate, or you can try your hand at making your own. Here's an all-purpose pancake recipe:

### Ingredients

- 1 egg
- 1 1/2 cups milk
- 2 cups flour
- 2 teaspoons baking powder
- 2 tablespoons sugar
- 1/2 teaspoon salt
- 2 teaspoons butter or oil

### Directions

1. Mix the egg and milk in a large bowl and slowly add the dry ingredients.
2. Have an adult heat the griddle or pan, and add butter or oil to it.
3. Pour batter on the griddle until the pancake is the desired size.
4. Flip once to finish cooking when surface begins to bubble.

## You can decorate pancakes just like George!

- Add fresh or frozen berries or chocolate chips to make smiling faces before flipping the pancakes over, or when they're still hot.
- Create different shapes with the batter: letters, animals, even a monkey-shaped pancake.
- Use powdered sugar to create your own snow globe, or use whipped cream to add hair or draw a beard on your smiley face.
