

The Spring Ball

An information leaflet

Instructions

1. Imagine a group of young students from another country is coming to your school for a week.
2. Make an information leaflet about the party you are going to throw in spring.
3. Look for photographs to illustrate the different information.
4. Include some of the topics here and a simple map of your school.

Topics:

1. General information about the school: number of students and teachers, timetable, location, etc.
2. Special things to do during the night (dancing, playing games, dressing-up contest).
3. How many people will be invited?
4. What time the party will start and finish?
5. Type of food.
6. What sort of music will you have?
7. What sort of dressing is required at the party?
8. Etc.
