

# A CLASS SURVEY

about

SPORTS

## **Instructions**

1. Write a class survey about *sports*. Make a poster or a PowerPoint.
2. Ask 10 of your classmates about their sport activities. Make notes to answer the questions and compose 3 pie charts.

### PIE CHART 1: Sports.

1. *Have your classmates played any sport this week?*
2. *Which sports have they played?*
3. *Have they done any other sport activities?*
4. *Have your classmates ever tried any adventure sports?*
5. *Which adventure sports have they tried?*

### PIE CHART 2: Sports clubs.

1. *What sports clubs are there at Piera/Hostalets de Pierola...?*
2. *Where do your classmates usually go to? How often? Time?*

### PIE CHART 3: Healthy habits.

1. *Have your classmates eaten any fruit and vegetables today?*
2. *What food do they eat after practising sport?*

3. Include photographs to illustrate the different information.
4. Use all the expressions below to write the *survey*. Look at the model text on page 85 in your text book and use your ideas from the answers to the questions in instruction 2.

The pairs are synonyms.

1. *Fifty per cent - half.*
2. *Most people - the majority*
3. *A few people - three or four people*
4. *No one - not one person*
