

COOKIE'S CAKE

INGREDIENTS

- A can of evaporated milk
- A can of condensed milk
- Six green lemons
- A packet of square biscuits

Step by step

- Mix the evaporated milk and the juice of the six lemons.

- When is well mixed, add the condensed milk, and beat until you get a thick cream.

- Pour the mixture in the tray.

- Later, place a layer of biscuits (three or four layers of biscuits).

- Finish the cake with a layer of mixture.

- Left it one day in a refrigerator.
