

A wide-angle photograph of the London skyline. On the left, the London Eye is prominent, its white structure and capsules clearly visible. In the background, the Houses of Parliament and Big Ben are visible, with the Union Jack flag flying from the top of the building. The sky is filled with large, dramatic clouds, and the overall lighting suggests a sunset or sunrise. The word "LONDON" is superimposed in large, bold, black capital letters on the right side of the image.
