## 3 Read and match the jobs with the people.

Score: /5

- 1 I visited my aunt last week and I spent the day with her. She works at the hospital. We walked around the rooms and we spoke to the patients. I wrote down all the information and my aunt checked it. Then I met the nurses but I didn't have lunch with them. ☐
- 2 Yesterday, I visited my mum at her office. She showed me lots of drawings of houses and buildings. She also helped me use the computer to design a house. I didn't know how to do it so it wasn't as good as hers! ☐
- 3 When my dad was a child, he loved talking to people and he always wanted to find out information. He studied journalism at university. I asked lots of questions but I didn't want to do my dad's job. ☐
- 4 Yesterday morning, I went to the sports stadium and I watched my big sister in a competition. She played for England last year. Then in the afternoon, she showed me how to play. I didn't hit the ball very well though. ☐
- 5 Last week, my uncle's pictures were in a newspaper! He had an exhibition but I didn't go. Yesterday, I went with him to London. I took my camera. We saw all the famous places and he showed me how to take great photos. ☐
