I per acabar aneu a la pàgina web següent:

<https://learnenglishkids.britishcouncil.org/tongue-twisters>

Trieu un TONGUE TWISTER (embarbussament), us l'apreneu i, si podeu, us graveu dient-lo (àudio o vídeo). Animeu-vos a penjar l'arxiu enregistrat al mur: (Ep! Que ja n'hi ha un!)

<https://padlet.com/missatgenviat/5thTASKS>

Premeu per pujar l'àudio o el vídeo.

Enregistrar un vídeo és senzill, però i un àudio? Ho podeu fer de diferents maneres. Aquí us n'explico una: Per enregistrar un àudio podeu utilitzar les **notes de veu** d'un mòbil. I des d'allà mateix el podeu editar per canviar-li el nom, per exemple. També us ofereix la possibilitat de compartir-lo a través d'un correu o d'un WhatsApp, entre d'altres. Si trieu la primera opció us el convertirà en un arxiu que, si us l'envieu al correu, el podreu descarregar i guardar-vos-el dins l'ordinador. Una vegada l'hàgiu emmagatzemat bé, el podreu pujar al mur.

Recordeu que hi ha el mur SHARING per anar practicant l'expressió escrita i per compartir idees, fotografies, vídeos... Hi podeu participar les vegades que vulgueu.

30 th to 3rd of April 😊
