

1. Intenta respondre en dos minuts el màxim de multiplicacions de les dues primeres columnes i després de descansar un minut, continua amb les dues següents.

$5 \times 4 = \underline{\quad}$

$7 \times 9 = \underline{\quad}$

$2 \times 8 = \underline{\quad}$

$3 \times 5 = \underline{\quad}$

$7 \times 2 = \underline{\quad}$

$4 \times 6 = \underline{\quad}$

$5 \times 8 = \underline{\quad}$

$3 \times 9 = \underline{\quad}$

$7 \times 5 = \underline{\quad}$

$4 \times 4 = \underline{\quad}$

$2 \times 6 = \underline{\quad}$

$4 \times 7 = \underline{\quad}$

$6 \times 7 = \underline{\quad}$

$7 \times 3 = \underline{\quad}$

$2 \times 2 = \underline{\quad}$

$3 \times 4 = \underline{\quad}$

$8 \times 8 = \underline{\quad}$

$6 \times 5 = \underline{\quad}$

$6 \times 8 = \underline{\quad}$

$2 \times 3 = \underline{\quad}$

$2 \times 7 = \underline{\quad}$

$9 \times 5 = \underline{\quad}$

$7 \times 8 = \underline{\quad}$

$6 \times 2 = \underline{\quad}$

$8 \times 5 = \underline{\quad}$

$9 \times 3 = \underline{\quad}$

$5 \times 7 = \underline{\quad}$

$6 \times 4 = \underline{\quad}$

$6 \times 9 = \underline{\quad}$

$4 \times 2 = \underline{\quad}$

$6 \times 6 = \underline{\quad}$

$9 \times 2 = \underline{\quad}$

$9 \times 4 = \underline{\quad}$

$8 \times 7 = \underline{\quad}$

$8 \times 3 = \underline{\quad}$

$9 \times 9 = \underline{\quad}$

$2 \times 4 = \underline{\quad}$

$6 \times 3 = \underline{\quad}$

$3 \times 1 = \underline{\quad}$

$8 \times 9 = \underline{\quad}$

$5 \times 5 = \underline{\quad}$

$9 \times 6 = \underline{\quad}$

$8 \times 4 = \underline{\quad}$

$9 \times 1 = \underline{\quad}$

$7 \times 7 = \underline{\quad}$

$5 \times 2 = \underline{\quad}$

$5 \times 9 = \underline{\quad}$

$3 \times 3 = \underline{\quad}$

$4 \times 1 = \underline{\quad}$

$7 \times 6 = \underline{\quad}$

$5 \times 6 = \underline{\quad}$

$3 \times 8 = \underline{\quad}$

$2 \times 9 = \underline{\quad}$

$3 \times 7 = \underline{\quad}$

$4 \times 8 = \underline{\quad}$

$3 \times 6 = \underline{\quad}$

$2 \times 5 = \underline{\quad}$

$7 \times 4 = \underline{\quad}$

$8 \times 2 = \underline{\quad}$

$9 \times 7 = \underline{\quad}$
