

To Elijah

Hi! I'm Javier and I'm 12 years old. I live in Santa Coloma of Gramenet, a village near Barcelona, In Catalonia. Catalonia is an autonomist community in Spanish. In Catalonia we speak Spanish and Catalan (The language of Catalonia). I only have family in Catalonia and we speak Spanish. I live with my mum, my dad and my sister. Who is in your family?

I think in San Francisco people speak English; can you tell me some advice for learning English? (If you want, of course). What language do your parents speak? And you? How is your family?

Catalonia is cool. And San Francisco?

Goodbye Elijah!!
Write me soon!

Javier
