OBJECTIUS	De convivència, sensibilització i interculturalitat	<ul style="list-style-type: none"> -To learn to wait for one's turn -To maintain silence during the activity -To help each other to follow the activity
	De comunicació i aprenentatge lingüístic	<ul style="list-style-type: none"> -To practice vocabulary related to the physical appearance -To practice asking and responding to questions -To practice the structure of interrogative statements in present simple and present continuous

METODOLOGIA	Seqüència didàctica (pas a pas)	<p>First, we reviewed the structure of the game which was introduced during the previous course. We practiced forming questions and played in small groups with an adapted version of the board game.</p> <p>Then, during another class period, we played the game using the students themselves as characters.</p> <p>Finally, we played the game using costume supplies, such as wigs, glasses, beards, moustaches, and hats. During this final session, we recorded the game with a camera. Before we began the game, each student had the opportunity to introduce themselves in English in front of the camera.</p>
	Observacions	<p>This activity was very effective, because the students were very interested and wanted to participate. Wearing costumes made the activity more fun and interactive, and recording it made the students very eager to participate.</p>
