Newsletter 6

June 2022

Our project is aimed at supporting the deployment of Global Competence in different European education systems and at fostering learners' achievement of 21st century skills, topics for a deeper learning, a stronger European citizenship

and a better integration in global society. We have set a theoretical framework, we have identified good school practices, we have developed cross-curricular projects and we have empowered teachers.

Nod ein prosiect yw cefnogi gweithredu Cymhwysedd Byd-eang mewn systemau addysg Ewropeaidd amrywiol a meithrin cyflawniad dysgwyr ym meysydd sgiliau'r 21ain ganrif, pynciau ar gyfer dysgu dyfnach, dinasyddiaeth Ewropeaidd gryfach a gwell integreiddio mewn cymdeithas fyd-eang. Rydym wedi gosod fframwaith damcaniaethol, rydym wedi dynodi arferion da mewn ysgolion, rydym wedi datblygu prosiectau trawsgwricwlaidd ac rydym wedi grymuso athrawon.

International Exchange of Students

From the 9th to the 13th of May, students from the Catalan and Belgian high schools met with students from Pembroke Dock Community School. We spent a week together working on a project on how humans have affected our environment and the goals of sustainable development on life below water and affordable and clean energy. We did various activities such as studying the biodiversity of the river and the beach, building a wind turbine and visiting a fortified medieval castle. At the end of the week, we created a campaign to raise awareness about these goals.

Cyfnewid Rhyngwladol i Fyfyrrwyr

O 9 tan 13 Mai, cyfarfu myfyrwyr o ysgolion uwchradd Catalonia a Gwlad Belg â myfyrwyr o Ysgol Gymunedol Doc Penfro. Treuliom wythnos gyda'n gilydd yn gweithio ar brosiect ynghylch sut mae bodau dynol wedi effeithio ar ein hamgylchedd a nodau datblygu cynaliadwy o ran bywyd dan y dŵr ac ynni fforddiadwy a glân. Gwnaethom nifer o weithgareddau megis astudio bioamrywiaeth yr afon a'r traeth, adeiladu tyrbin gwynt ac ymweld â chastell caerog canol-oesol. Ar ddiwedd yr wythnos, creom ymgyrch i godi ymwybyddiaeth am y nodau hyn.

Transnational Project Meetings

In the last semester of the project we held two transnational meetings, one in Pembroke Dock in March 2022 and the other in Barcelona in June 2022. In one meeting, we discussed the implementation of intellectual outputs and in the other, the project evaluation.

The project has been affected by the pandemic, we had to cancel an international meeting, which we have supplemented with coordination videocalls and we have extended the duration of the project by 10 months in order to complete all activities and achieve the established goals.

Yn ystod semester olaf y prosiect cynhaliom ddau gyfarfod traws-wladol, un yn Noc Penfro ym mis Mawrth 2022 a'r llall yn Barcelona ym mis Mehefin 2022. Mewn un cyfarfod, trafodom weithredu allbwn deallusol ac yn y llall, gwerthuso'r prosiect.

Mae'r prosiect wedi cael ei effeithio gan y pandemig, bu rhaid canslo cyfarfod rhyng-wladol, y gwnaethom alwadau fideo cydlynu yn ei le, ac rydym wedi ymestyn hyd y prosiect o 10 mis er mwyn cwblhau'r holl weithgareddau a chyflawni'r nodau a osodwyd.

Local Conferences on Global Competence

Multiplier Events

A Multiplier Event is a conference to disseminate the results of the project, especially the intellectual outputs produced, to a specific target audience. In our project, we have organised, at least, one multiplier event in each country. The audience have been school heads, teachers and educational stakeholders in the area of influence of the participating institutions.

More than 100 people attended each event. These were the conferences:

- Brussels: 18th May 2022
- Barcelona: 2nd June 2022
- Swansea: 10th June 2022

Digwyddiad Lluosi yw cynhadledd i ledaenu canlyniadau'r prosiect, yn enwedig yr allbwn deallusol a gynhyrchir, i gynulleidfa darged benodol. Yn ein prosiect, rydym wedi trefnu, o leiaf, un digwyddiad lluosu ymhob gwlad. Mae'r gynulleidfa wedi bod yn benaethiaid ysgol, athrawon a rhanddeiliaid addysgol ym maes dylanwad y sefydliadau cyfranogol.

Daeth mwy na 100 o bobl i bob digwyddiad. Dyma'r cynadledau:

- Brwsel: 18 Mai 2022*
- Barcelona: 2 Mehefin 2022*
- Abertawe: 10 Mehefin 2022*
